

PROTECT YOUR BENEFITS FROM FRAUD

Your benefits could be at risk from EBT card cloning and skimming. Here's how to protect your benefits.

SET UP AN EBT ACCOUNT

Create an account in the cardholder portal at <https://cardholder.ebtedge.com/>.

DOWNLOAD THE APP

Use the **ebtEDGE mobile application** (iOS and Android) to manage your account after you set up an EBT account:

- control your EBT accounts.
- disable out of state transactions
- prevent online purchases.

Log into the mobile application from your smartphone and select the "See More" option to set up your safety features.

SET UP ALERTS

Sign up for text or email alerts in the ebtEDGE app.

WHAT ELSE YOU CAN DO: PERSONAL IDENTIFICATION NUMBER (PIN) TIPS

- Always pick a PIN that is hard for others to guess.
- Never share your PIN with anyone!
- Change your PIN often to prevent fraud.

FIND THE APP

Scan the QR code below (iOS and Android) for the **ebtEDGE mobile app**:

REPORT

If you notice suspicious activity on your EBT account, call EBT customer service immediately at 1.888.328.2656. (TTY - 1.800.659.2656)
